

Mission Awareness Tour – India

Expressions of interest are being sought for anyone wishing to be part of this exciting opportunity.

Synod has approved in principle a Mission Awareness Tour to India. (Youth and Fellowship committee to subsidise up to \$500 per 'youth' participant.)

Initial plan/details:

- Dates –around 21st December 2016 to 3rd January 2017.
- Experienced leaders – Rev. Dennis Muldoon/John Greensill
- Target group –16-26 year olds (don't worry if you don't fall neatly into this category!)
- Size of group – Target is around 10.
- Itinerary – primary focus on mission work awareness – Chhapara, Lakhnadon, Mukti?, exploring opportunities for service, helping out as required etc. (Maybe a day or two sightseeing around Delhi)
- Expectation is that participants will provide presentations back to PCEA camp/congregations as appropriate
- First steps - Need to get passports/medical immunisations as soon as possible. (more information will be provided once a group has formed)
- Estimate of cost is around \$3000. Major cost will be flights.

Initially we only need expressions of interest in participating to help assess viability of tour. Please email Rev. Dennis Muldoon on dkmuldoon@hotmail.com by **June 13th** to indicate your interest in taking part providing your name, email address and age to ensure you receive further information.
